

# Thinking of **cutting** **your** overhead **bills**?

Spiral is a specialist cost reduction company working with a wide range of clients, large and small, across the UK. Over the past six years we have developed expertise in reducing business overhead costs in an effective and unobtrusive way. As an independent company, Spiral sources deals across a number of cost areas that offer significant savings, as well as high standards of service, on a like for like basis for our clients.

Spiral focuses on most routine day to day business costs including:

- Energy - Gas and Electricity
- Telecoms and Mobiles
- Office Supplies
- Printing and Direct Mail
- Furniture and Office Equipment
- Merchant Card Fees
- Cost Reduction Projects

An initial "feasibility review" to benchmark current costs is provided free of charge and without any obligation. If you wish to proceed with the savings presented in the review Spiral will arrange everything with the chosen suppliers to ensure a smooth handover.
